Activity 1

Creating a *myfuture* account

Introduction

The purpose of this activity is to introduce you to the myfuture account registration process and grant you access to all of myfuture's features.

Objectives

- Gain access to all the features of myfuture.

Instructions

1. Go to https://myfuture.edu.au/
2. Select the *Sign up* button. If you already have an account, simply select the *Log in* link instead and move on to Activity 2.
3. If you see the screen titled 'Validate your email address', enter the email address issued to you by your subscribed school or educational institution and select *Submit*.
4. Fill in all of the form fields. Ensure that your username is unique to you and is a minimum of four characters (including only letters, numbers, full stops and underscores).
5. After entering valid responses into the form fields, check the box next to ***I have read and agree to the Conditions of Use.*** then select the *Sign up* button.
6. Go to https://myfuture.edu.au/login enter your username and password and select the *Log in* button.
7. Congratulations! You should now be logged in and ready to begin Activity 2.

If you would like to update your account details, you can click on the *Account details* link from the burger menu in the top right hand corner of the page when logged in. Change the text in the fields before selecting the *Submit* button to save your changes.

Tip: Make sure you remember your username and password so you can log in to myfuture later on.
